

NAMES OF GOD | JEHOVAH RAPHA

Jehovah-Rapha = The God that Heals - Rapha: To completely make whole, mend and repair.

QUESTIONS: Does God heal today? If so, how can I receive my healing?

Isa. 53:5 But He was pierced for our transgression, He was crushed for our iniquities; the punishment that brought us peace was upon Him, and by His wounds we are healed.

#1. Meditate on God's _____

Philippians 4:8 "You'll do best by filling your minds and meditating on things true, noble, reputable, authentic, compelling, gracious, the best not the worst, the beautiful not the ugly."

Start your day with God:

- That will make you more positive.
- That will make you more optimistic.
- That will make you more a person of faith.

Think on God's promises throughout the day:

- *Psalm 103:2 "Praise the Lord oh my soul and forget not His benefits Who forgives all my sins and heals all my diseases."*
- *1 Peter 2:24 "He took my sins on the cross so that I might die to sin and live for righteousness and by His stripes I have been healed."*

#2. _____ Faith

Psalm 91 "I will Say of the Lord. I will live a long life and see His saving power"

Don't speak against what you are praying for:

- Don't say my marriage will never get better
- Don't say my job will never get better
- I'll never get out of debt.
- I'll never overcome this sickness.

Faith has the power to change your attitude about life like nothing else.

#3. _____ God

- Trust in God even though you haven't seen the miracle yet.
- Here's the key: Don't deny your problem, but don't dwell on it.
- Attitude: If I'm magnifying anything, I'm magnifying the source of my strength.
 - I'm talking about God's greatness.
 - I'm not focusing on how big my problems are.
 - I'm focusing on how big my God is.
- What you focus on, you magnify - Romans 4:18
 - When you pray and don't see the immediate miracle - Keep praying, keep standing, speaking faith over your situation. Trust God!
